1st University of Ilorin, Nigeria Economics Conference (Virtual) 2025

Technical Skills

- Programming and Software: Stata, Python, R, $\text{\LaTeX}$
- Econometric Methods: Causal Inference Methods, Difference-in-Differences (DiD), Instrumental
Variables (IV), Panel Data Methods

- Data Experience: Large-Scale Survey Data, Administrative Data

Leadership and Service

1. Graduate Peer Mentor, University Graduate School, FIU Fall 2026–Spring 2027

- Selected through a competitive, university-wide process for the inaugural cohort of the UGS Graduate Peer Mentors Program, a strategic initiative jointly developed by the University Graduate School and the Graduate Advisory Board to support doctoral student success.
- Serve as a designated mentor to incoming first-year doctoral students, guiding their academic, professional, and personal transition into graduate education.
- Complete formal, university-administered training in mentorship pedagogy, resource navigation, and community-building strategy.
- Contribute to institution-wide efforts to strengthen retention and belonging among first-year doctoral students.

2. President, Economics Graduate Student Association (FIU) 2026–2027

- Represent graduate student interests and support academic engagement within the Department of Economics.
- Organizing professional development activities, workshops, and student events.
- Serve as a resource for incoming graduate students navigating departmental and university resources.

3. Public Relations Officer, African Graduate Student Association (AGSA), FIU

- Support initiatives that help new African and international students transition to life at FIU.
- Assist with student outreach, community-building activities, and campus engagement programs.
- Connect students with academic, social, and professional resources across the university.
